In a large pan pour the extra-virgin olive oil, then mix in the onions and bell peppers. Sauté the vegetables for a few minutes on high heat making sure that the onions do not char, then pour in a couple of ladeful of broth.

Let boil, then lower the heat and cook covered for 20 minutes over medium heat, mixing from time to time and adding more broth if the sauce gets too dry. Once the bell peppers are cooked, add **Pomì coulis de tomaten**, mix and continue cooking for another 10 minutes, always with the lid on, stirring occasionally and adding broth if the sauce is too dry.

Remove the lid and continue cooking for another 10-15 minutes. Add salt and pepper.
