For this recipe we used:

Preparation

Prepare the meatballs adding in a bowl the ground beef, eggs, bread crumbs, salt and pepper.

Mix well together and let the meat and other ingredients blend well using your hands.

Make as many meatballs as possible all of the same approximate size and cook them in the pan with extra virgin olive oil.

Once browned and well cooked, add Pomi **Finely Chopped Tomatoes**, bring to a boil, then lower the heat and let cook fully (at least 30 minutes).
